To Whom It May Concern:

This is a letter of recommendation for Cheryl Saks. I have known Cheryl for over 20 years when she was a music student of mine in elementary school.

As an adult, Cheryl has grown into a fine musician. For many years I recommended my students to her for private piano and voice lessons. Many of them became accomplished musicians because of her.

Cheryl is a gifted teacher. She is disciplined in her approach to teaching, but her students have fun, too. They perform in many recitals throughout the year and are given the opportunity to be adjudicated in the annual NYSSMA solo festival.

Cheryl is not only a talented pianist and vocalist, but she is also a gifted writer. She has a CD out of her songs that is in circulation in many music stores on Long Island. Some of her students are part of the recording.

I highly recommend Cheryl as a piano and voice teacher.

Sincerely,

Susan C. Berner
